ABOUT XENTO

Office setup made simpler for businesses across India.

WHAT WE DO

Xento Private Limited helps businesses move into professionally managed offices without buying or building their own premises.

We take suitable office units on lease and offer them to clients based on their needs. When a ready office is required, we can coordinate the layout, furnishing and fit-out before handover.

Important: Properties are leased and managed by Xento; they are not owned by Xento.

01 OUR VISION

To make it easier for businesses to find flexible, well-managed offices where their teams can work, grow and do their best.

02 OUR MISSION

To provide ready-to-use offices and take care of setup and regular maintenance, so clients can stay focused on running their business.

01

Flexible lease options

A practical office arrangement aligned with your requirement.

02

Furnishing to suit

Layout and furniture planned around your team and use.

03

Ready when needed

A clear setup path and planned move-in timeline.

04

Support across India

New workspace requirements can be considered across India.

PLUG & PLAY WORKSPACES

Walk in. Settle down. Start work.

A furnished, professionally managed office that can be ready from day one - without spending months setting it up yourself.
